This free event brings together rich traditions that speak across cultures and beliefs:

Flowers of Faith Art Exhibition

Chinese Calligraphy Demonstration & Workshop

Experience the beauty of this ancient art form through a live demonstration by Master Zhu Yiwen, a renowned calligrapher and educator. Participants will also be invited to take part in an interactive calligraphy workshop, engaging with the rhythm, movement, and meaning of each brushstroke.

Tai Chi Performance

The Universal Language of Art:

Multifaith Art Exhibition:

Reverend Bhakta Dasa is a minister of religion in the Vaishnava Hindu tradition. For Bhakta, art is not merely for display - it is a sacred tool for contemplation, meditation, ritual, and spiritual practice. He approaches the creative process as an intimate act of worship, a way to connect deeply with the Divine and access his innermost spiritual essence. Working in a contemporary style he describes as Spiritual Expressionism, Bhakta blends sacred symbols with the vibrational energy of mantras to evoke meditative and transcendent experiences.

Chinese Calligraphy Demonstration & Workshop:

Master Zhu Yiwen is a renowned Chinese calligrapher and painter recognized for his expertise in traditional arts and dedicated education in the field. His work is influenced by established masters, and he is known for teaching calligraphy and painting, contributing to the preservation of these artistic traditions. Recently Master Zhu has migrated to Australia in order to share and promote Chinese traditional culture.

Tai Chi Demonstration

Tai Chi is a gentle Chinese martial art, often described as “meditation in motion.” It combines slow, flowing movements with deep breathing and focused awareness to support both physical and mental wellbeing. Enjoy a live demonstration by the **Zee Cheng Khor Tai Chi Community Group**, as they showcase the grace, balance, and harmony of this ancient practice.

A Tribute to the Late Helen Heath OAM
