Join the

Multifaith Future Leaders Program

Are you a future community leader?

Are you a committed member of a faith community:
Muslim, Jewish, Christian, Hindu, Buddhist, Sikh... anything?
Are you a dynamic young person, around 18 to 26 years
and see yourself as a future leader of your community?

If so, you may be eligible to join the Multifaith
Future Leaders Program.

Participants begin with a **free** three-day leadership
training workshop. You learn about other faiths, gain lead-
ership skills and get to participate in fun activities with
other young people from different communities.

What they say

The most valuable asset it left me with is a wide
network of intelligent people from a range of back-
grounds... hopefully they will be lifelong friends.” Heba

“We broke down a barrier of fear
and misunderstanding and found
out we had so much in common”.

Krista

“I hope there are future programs so others can engage
in an equally rich experience.”
