

Multifaith Gathering

A time of prayer and reflection

INTERFAITH NETWORK

of the City of Greater Dandenong

As people from many different communities in Greater Dandenong and the wider community come to terms with the deep shock and senseless loss of human lives in the massacre of members of the Al Noor and Linwood Mosques in New Zealand, and the wounding of many more, the Interfaith Network in partnership with the City of Greater Dandenong will hold a Multifaith Community Gathering.

This Gathering will offer a space for people:

-  to come together to express their sorrow and loss
-  to hear prayers and meditations from a representative of each of the faiths and spiritual traditions
-  to take time to reflect, meditate or pray in their own way for the victims and their families, their communities and those injured
-  to offer love and support to those deeply shaken and affected
